GREAT BOOM IN

New Record for Pig Iron Production Established During the Last

SHEET MILLS ALL WORKING

RAILROADS ARE PLACING HEAVY ORDERS.

New York, Feb. 14.-The Iron Age

will say tomorrow: a total of 2,068,893 gross tons of coke 2,045,718 tons in December, an increase by the "See America First" league. of 23,175 tons. The previous record was 2,053,174 tons in October, 1905. The weekly capacity active on February 1 was 482,746 tons against 463,673 tons on January 1 so that January 1, so that pig iron is now being made at a rate above 25,000,000 tons a year, in addition to 30,000 tons a month of charcoal iron. The United States Steel corporation for the past seven weeks has had 88 out of 89 furnaces in blast and now has 87 active The condition of the iron market is one of steadiness and strength. Premiums for early delivery are less than they were and in some cases have disap-

Sheet Mills in Full Blast.

Of the steel corporation's sheet mills week and of tinplate mills 90 per cent, steel not being available for all. For-

of steel will be required for work now being figured on. In New York City was in the house.

The Garden City No. 10 lodge of the Knights of Pythias will celebrate the forty-sixth anniversary of the order in the lodge rooms here on the evening of Monthe bulk of the 200,000 tons under negotiation is expected to be placed by early spring.

Railroads continued to place supplementary orders, including in the past week, 5,300 tons for the Boston and Maine, 12,500 tons for the Pennsylvania railroad, and 5,000 tons for the Chesapeake & Ohio. In export rails is mentioned a good sized order for Panama. An advance of \$1 a ton has been made in hoops. Bar iron continues to approach the level of steel after selling \$8 to \$10 a ton higher. The big iron 374.28.
market has been quiet apart from a burst of activity in the Chicago district, where over 30,000 tons of foundry iron is under negotiation. Southern shipments have been heavy in view of the advance in freights on March 1. The steel corporation has bought 15,-000 tons of Bessemer from Valley furnaces for shipment to Chicago.

CUMMINS HAS DECLINED.

Cure For Drunkenness

Mary's Miracle.

The day of working miracles, I'm sure is far from past.

And now to show you what I mean,
I'll tell you of the last
Great one that happened right to me,
For I was part of it, you see.

You know the life I used to lead— O God, a living death. A drunkard of the hopeless kind— For, scarce a sober breath I ever drew, and hope and pride Were lost to me and nearly all beside.

riend alone was left-my wife, d bless her ev'ry hour! She saved me from a drunkard's grave, And whisky's wicked power.

Just how she saved me you shall see—
This is the way she told it me.

When hope was almost dead within Her faithful, constant breast, She read of Dr. Haines' Cure, Then without stay or rest, She sent for one Trial Sample free, And gave it unbeknown to me!

I drank of it at ev'ry meal—
I ate it in my bread,
While Mary watched me anxiously,
But ne'er a word she said;
Until one day I stopped to think,
That I had lost my love for drink!

When quite unconscious I was cured,
My Mary told me all;
It seemed the very act of God,
A modern miracle;
I call it this, because my wife
And Haines' Cure had saved my life.

And now my little story's done. My ev'ry word is true,
And what this treatment did for me,
The same 'twill do for you;
And wives and mothers—one and all,
Take heart of Mary's Miracle.

Save those near and dear to you from a life of degradation, poverty and disgrace. You can do it by cutting out this coupon.

Free Treatment Coupon.

Fill in your name and address on blank lines below. Then cut out this coupon and mail it to Dr. J. W. Haines, 5926 Glenn building, Cincinnati, Ohio. You will receive in return enough of the remedy to prove to you that it will cure drunkenness in any that it will cure drunkenness in any form. You give it in tea, coffee or food. The drunkard will stop drinking without knowing why. You will also get books and testimonials to prove how hundreds have been saved.

JORDAN PROMISES HIS AID

California Educator Says He Is In Sympathy With "See America" Movement.

land Stanford, jr., university, Pale Alte, Cal., has written Executive Secretary

vill say tomorrow:

President Jordan proceeded to give assurance that he will agree in any movepig iron production, statistics showing ment which the executive committee and anthracite iron as compared with later with other matter to be published

land Stanford, Jr., university, Paio Alto, Cal., has written Executive Secretary
Fisher Harries of the All of his voice and pen to the new American movement. President Jordan makes it plain that he will co-operate with the league in its endeavor to stem the amil of the sale of tobacco to minors be enforced. Speaking of the project recently in augurated, President Jordan writes:

"I am very deeply interested in year." I have been so that the will agree and the communication will be entered before making any are as I can. I am one of those who have seen America first. I have been in every state in the Union except one, and all over every state, so that I know. The same of the country of th f the steel corporation's sheet mills per cent were in operation last ek and of tinplate mills 90 per cent, goods were packed in the rooms ransacked. The house has not been occupied for some time and the furniture and household goods were packed in the rooms. The conweek and of tinplate mills 90 per cent, steel not being available for all. Foreign steel markets show increasing strength and recently for the first time prices in finished lines abroad have risen to a parity with those on this side, in some cases being higher.

Structural business, both current and prospective, is far behind precedent or expectation. In the territory immediately tributary to Pittsburg 100,000 tons
